SMOG DOCTOR TL 10W40

Application:

SMOG DOCTOR TL 10W40

Top quality, fully synthetic engine oil with reduced ash content thanks to the use of the MIDSAPS formula. The oil has been developed to meet the requirements of modern combustion engines. It guarantees a low coefficient of friction, and thus lower fuel consumption and higher engine power. The oil ensures longer oil change intervals.

For use in gasoline and diesel engines, including those meeting Euro exhaust emission standards fitted with or without DPF particulate filters. It can be used in engines equipped with injection pump systems in VW / Audi / Skoda vehicles.

Specifications and Standards:

viscosity grade SAE: 10W40

Quality class API: SN/CF

Quality class ACEA: A3/B4

Recommended to: MB 229.3; VW 502 00 / 505 00; JASO SG+; Renault RN0700 / RN0710

Typical physico-chemical attributes

SMOG DOCTOR TL C2/C3 5W30	Typical value
Kinematic Viscosity Index at 100 °C, mm ² /s	14.6
Viscosity Index	175
TBN (mg KOH/g)	9
CCS (@-35°C) cP	5940
Pour Point, °C	-30
Flash Point, °C	230
